

With Eye360, wellness and savings are in sight

INTRODUCING EYE360

Eye360¹ is an enhanced benefit plan proven² to help members save on vision care exams and out-of-pocket costs. These extras are available when members visit a PLUS Provider – a select group of providers in the EyeMed network. Best of all, the perks are built into the vision plan – no promo codes or paperwork required.

SEEING SAVINGS

With Eye360, members receive \$0 copay vision care exams and an additional \$50 frame allowance at PLUS Providers – on top of their base plan's benefits. That translates to members with Eye360 spending nearly 50% less out-of-pocket on frames.² And when combined with other offers and discounts³, it adds up to truly eye-opening savings.

CHOICE OF PROVIDERS

With over 4,500 PLUS Providers nationwide, including independent, retail and online options, members will find plenty of locations nearby.

VISION CARE IS HEALTHCARE

An annual vision care exam not only helps uncover vision correction needs, it can often be the first to detect signs of serious health conditions, such as diabetes, high blood pressure, heart disease⁴ and eye diseases like glaucoma and cataracts.⁵ With Eye360, \$0 copay vision care exams help encourage employees to be proactive with their holistic healthcare.
